

## Open Your Eyes - Environmental Photo Challenge

Use your Ipad to take photographs of the following. Remember to use your observation skills, look carefully and think creatively. Think about zooming in or out, the light and framing your photographs using the natural environment.

Use the app - PicCollage to create a collage of your photo challenge

Good Luck - see how many you can complete!

<b>A living thing</b>	<b>A non living thing</b>	<b>A close up of an interesting flower</b>	<b>A close up of an unusually shaped leaf</b>
<b>An interesting bark texture</b>	<b>A close up of a seed pod</b>	<b>A photograph that includes the river</b>	<b>A photograph showing one way humans use the river</b>
<b>An interesting pattern in the soil or dirt</b>	<b>A reflection on the water</b>	<b>An interesting shadow</b>	<b>A cloud formation</b>
<b>Evidence of an animal's presence</b>	<b>A river red gum</b>	<b>A photograph of some bush tucker</b>	<b>A selfie of you and your favourite spot on the block.</b>
<b>A minibeast - can you get a clear close up?</b>	<b>A plant that is in flower</b>	<b>A bee collecting pollen ( stand back and use your zoom)</b>	<b>A free choice shot - be creative!</b>
